Cub scouting

There once was a _____Adjective_____boy who wanted to do more than sports. He asked his mom and dad what he could do. Hey said he should try _____Adjective_____. He didn't want to. They said he should try a new sport. He said no thank you. They looked and looked for a new activity for he boy to try.

One day a lye came home from school in his backpack. These was going to be a cub scout joining night that week at the town community center. The da remembered being a cub scout and how much fun it was. He old his son the would go and see if it sounded like fun.
