Bachlorette Libs

Bachlorette Libs

My name is _____Proper Noun_____ and I have known Janice for 2 years. When I heard that Scott and Janice were engaged to be married, I cried and then I screamed Holy Crap! I wish the happy couple happy castles for many, many years to come. My really brilliant advice? Dont forget to wash before and after you fart and especially after you pee. Janice, you should always shake Scott's hand and Scott you should always lick Janice's paw. Best Wishes!
