Jess and Hughie's Love Story

It was a _____Adjective_____ and _____Adjective_____ night...wait a minute: this story takes place in Montepellier, France in July of _____Year_____.

It was a _____Adjective_____ night with a light breeze at the Ftizpatrick's Irish Bar. Our heroine _____Verb - Past Tense_____ into the pub and laid eyes upon a long-haired _____Noun_____ pulling pints of Guinness. She was there to make friends, but little did she know she would find a _____Noun_____. She pulled up a stool beside her pal Bart, a Dutchman who she'd met the previous summer visiting the town. He had told her this would be the night to meet the local _____Noun - Plural_____, our hero included.

On his last night working in the bar, our hero was filled with anticipation for his next adventure. Little did he know, it wouldn't be a _____Adjective_____ mission. Throwing caution to the wind, he struck up some _____Adjective_____ banter with the americaine across the counter. A few Jardin Secrets (french beer) later, he said he hoped to see her again - very soon.

Fast forward to the following weekend, and his wish came true. The night began with a _____Noun_____ and ended with a _____Noun_____ where he played some of her favorite songs. As they _____Verb - Past Tense_____ the night away, they knew it was the beinning of something good.

A

few months later, they had a decision to make: should I stay or should I go? They both went. A New York City adventure was in the cards - and that is where they are as they write this - on a _____Adjective_____ and _____Adjective_____ night awaiting hurricane _____First Name of a Person_____.
