Hair Removal

Hair is normally removed for social and sexual reasons related to the social role of hair in human	
Many cultures have an aesthetic ideal amount of hair for males and females. People whose hair violates such	
standards may experienceororproblems with social acceptance.	
Many men in Western culturestheir facial hair, so only a minority of men have a beard, even	
though fast-growing facial hair must be Adverb Past tense verb to achieve a clean-shaven or hairless	
look. Some men shave because they cannot <u>Verb</u> a <u>Adjective</u> <u>Noun</u> because beard color	
is different from scalp hair color, or because it grows in many directions, making a groomed look difficult. Some	
men shave because their beards are very adjective causing itchiness and irritation. Some men grow a	
beard from time to time to
