The Creature from Space

I was all ready to start another fantastic day of online learning at K12! The excitement was palpable as I logged into my class connect session. I couldn't wait to see my teacher's friendly face. Instead, you can imagine my shock when I realized the class connect had been taken over by an _____Animal Number One_____ from _____Planet_____ ! The space creature immediately snarled at us, "Take your books out of your _____Kitchen Appliance_____ and let's get started!" The laughter and _____Emotion_____ couldn't be contained! We immediately started guffawing _____Adjective ending with ER_____ than an _____Animal Number Two_____ at _____Time of Day_____. The space _____Animal Number One_____ seemed to be unaffected by the peals of laughter. I decided to be brave and raise my _____Body Part - appropriate_____. "Um, excuse me," I murmured, "what is the topic of today's session?" The space creature wrinkled his _____Color_____ brow, scrunched up his abnormally _____Adjective_____ nose, and bellowed, " Today we are learning about the history of _____Noun_____ on _____Planet_____." This was nowhere in my K12 materials. I had studied everything! I was even ahead of my lessons and had completed all of my CC's and study halls! "The fact is, I _____Verb - Past Tense_____, I have no knowledge of that because it was not part of my assignment. The space creature looked _____Adjective ending in ED_____, and quickly looked down at his sheet of _____Noun_____. "I'm terribly _____Emotion_____, but I seem to have entered the wrong room!" And just like that, he disappeared and was never seen again. My courageous act was applauded by all of the _____Noun - Plural_____ in class. When Mrs. Miller logged in, she heard of my bravery and was extremely proud of me.
