Happy, Happy, Happy

The only other _____Noun_____ in the _____Noun_____ was a combination _____Noun_____ and _____Verb - Present Tense_____ area. The cookstove was _____Verb - Past Participle_____ by natural gas from a well that was located down the hill and across the creek. The pressure from the well was so low that it barely produced enough gas to cook. Pa always said we were lucky to have the _____Noun_____ of running water in the house, even if it was only cold water com- ing through a one-inch pipe from a hand-dug well to the kitchen sink. We didn't even have a bathtub or _____Noun_____ in the house! The water pipeline habitually _____Verb - Past Participle_____ during the winter, and my brothers and I spent many mornings unfreezing the pipe with hot coals from the fire. When the pipe was _____Verb - Past Participle_____, we'd grab a shovelful of coals and place them on the _____Noun_____ under the pipe. When we finally heard gurgling and then water _____Verb - Present Tense_____ out of the kitchen sink, we knew we could return to the fire to get warm again.
