Summertime i don't know

I was happy as a _____Noun_____. _____Proper Noun_____ was over and _____Noun_____ had begun. All my friends had _____Verb - Past Participle_____ throughout the year. Finally i had some time to myself. I couldn't wait to brush my _____Noun_____ for hours on end. Or to pick the _____Noun_____ from under my _____Noun - Plural_____ only to replace it with _____Noun_____. But i knew there was one thing standing between me and true summer _____Noun_____. My _____Noun_____. They were still _____Noun_____ and i knew that because i _____Noun_____ with _____Noun_____. Somehow they had _____Noun_____ the zombie _____Noun_____. Yet still they could not get me to eat my _____Noun_____. Fools. So i built them a _____Noun_____ porch. And i set _____Noun_____ out for them every morning. I did not use _____Noun_____ of any kind. My parents taught me better than that. Or so i thought. Instead i used a shallow _____Noun_____ of _____Noun_____ so they could never _____Noun_____. I always knew that they had great _____Noun_____ scores. So i took their credit cards and bought myself a _____Noun_____. Then i _____Verb - Past Tense_____ a live _____Noun_____ to keep me company while i cruised in style. Life is _____Adjective_____ in summertime.
