The Fail

Once upon a time their was a _____Noun_____ who lived in a wood cabin.

He brought his _____Noun_____ to take a video of the wilderness.

After about 5 or 6 days passed he captured a film of a mysterious _____Proper Noun_____ that walked like a human.

He called it the _____Verb - Base Form_____ FOOT from its large foot prints.

As he was looking at his _____Proper Noun_____ he relized that this figure TRIPPED OVER THE ROCK.

Than the _____Proper Noun_____ fell off of him and if other people relized that this wasn't a sasquatch this wouldn't be a famous mystery article.

Than he _____Verb - Base Form_____ the film to the part where the BIG FOOT did trip over and the story has always been a mystery.

"Mu HaHaHAHAHAHA!"
