Boy Meets Girl

There once was a _____Adjective_____ boy who had a big crush on a _____Adjective_____ girl. They met because he was interested in studying abroad in Poland and she helped him with his application. The boy was _____Adverb_____ nervous to ask her out, but he knew that if he didn't, an opportunity of a lifetime of happiness could be passing him up.

So he worked up the courage, and messaged her via facebook to ask her out on the date. When she read his invitation she became really _____Verb - Past Participle_____. She thought to herself "Boy, how _____Adverb_____ lucky I am that he asked me out."

When she responded to his invitation he felt nervous, because he had to plan their first date. He decided to take her to _____Proper Noun_____ BBQ. There they enjoyed _____Adjective_____ food and decided that another date would be a _____Adjective_____ idea. After the first date, she knew that she _____Adverb_____ like the _____Adjective_____ guy.
