Jolie Jones- Mad Lib

I was walking _____Preposition_____ home down _____Proper Noun_____ _____Proper Noun_____. Suddenly I felt a _____Adjective_____ pain against my _____Part of the face_____ and fell unconscious. When I awoke I found myself tied up in a chair. I flailed and _____Verb - Past Tense_____ _____Conjunction_____ no one came to help me. I grew weaker and weaker with every passing moment I stayed there. In my head I wondered what was happening. Finally, after what felt like hours someone in _____Conjunction_____ _____Adjective_____ crisp white uniform walked _____Preposition_____ the room and didn't speak; he just stood there..... watching me. He was _____Verb - Present ends in ING_____ notes on a yellow note pad in pen. Suddenly he spoke in a dark _____Conjunction_____ surprisingly happy voice.

"Congratulations," _____Pronoun_____ said, "you are the only test subject that didn't..... go crazy."

"_____Interjection_____! Where the heck am I you psycho?!" I screamed at _____Pronoun_____.

"_____Interjection_____! Calm down!" he _____Verb - Past Tense_____.
