Rose and her mean sister

Once in a big castle there was a _____Adjective_____ girl named Rose. She always wanted to make her sister _____Adjective_____ by helping with her homework every night so she would not behind on her homework. Her sister's name is Mackenzie and all she wanted was for her sister to do her chores and homework without her parents know that she is doing this for her and all she said was that she was the prettiest girl ever.

One day Mackenzie decided to go out with a _____Adjective_____ boy to go the movies. While they were hanging out, Rose had to do all her chores and all the things that she always tells her to do. After a few days their parents found out that Rose was doing her _____Noun_____ and doing her chores, so then they decided to give Mackenzie a big stack of homework and more and more chores to do. All Rose was doing for the rest of the week was sitting in the _____Noun_____ and drinking pina coladas.
