Northanger Abbey

No one who had ever seen _____Full Name of a Person_____ in her infancy would have supposed her born to be an heroine. Her situation in life, the character of her _____relative_____ and _____relative_____, her own person and disposition, were all equally against her. Her _____relative_____ was a _____profession_____, without being neglected, or poor, and a very _____adjective ending in able_____ man, though his name was _____First Name of a Person_____ -- and he had never been _____Adjective_____. He had a considerable independence besides _____Number_____ good livings -- and he was not in the least addicted to _____Verb - Present ends in ING_____ his _____plural relatives_____. Her _____relative_____ was a woman of useful plain sense, with a _____Adjective_____ temper, and, what is more remarkable, with a _____Adjective_____ constitution. She had _____Number_____ sons before Catherine was born; and instead of _____Verb - Present ends in ING_____ in bringing the latter into the _____a place_____, as anybody might expect, she still lived on -- lived to have _____Number_____ children more -- to see them growing up around her, and to enjoy _____Adjective_____ health herself. A family of _____Number_____ children will be always called a _____Adjective_____ family, where there are _____Part of Body_____ and _____Part of Body_____ and _____Part of Body_____ enough for the number; but the Morlands had little other right to the word, for they were in general very _____Adjective_____, and Catherine, for many years of her life, as _____Adjective_____ as any. She had a _____Adjective_____ _____Adjective_____ figure, a _____Adjective_____ skin without colour, _____color_____ _____Adjective_____ hair, and _____Adjective_____ features -- so much for her person; and not less unpropitious for heroism seemed her mind. She was fond of all _____possessive plural noun_____ plays, and _____Adverb_____ preferred _____a game_____ not merely to _____a toy_____, but to the more heroic enjoyments of infancy, nursing a _____Animal_____, feeding a _____Animal_____, or watering a _____Noun_____.

Indeed she had no taste for a _____a place_____; and if she _____Verb - Past Tense_____ _____Noun - Plural_____ at all, it was chiefly for the pleasure of mischief . " . " " . . she had neither a _____Adjective_____ _____Part of Body_____ nor a _____Adjective_____ temper, was seldom _____Adjective_____, scarcely ever _____Adjective_____, and very _____Adjective_____ to the little ones, with few _____Noun - Plural_____ of tyranny; she was moreover _____Adjective_____ and _____Adjective_____, _____emotion ending in ed_____ confinement and cleanliness, and _____emotion ending in ed_____ nothing so well in the world as _____emotion ending in ed_____ down the _____color_____ slope at the back of the _____Noun_____.
