A Day In The Life of Principal Kelly Chow

Good afternoon. My name is Kelly Chow and I am the _____answer_____ of Capitol Hill Elementary school.

This morning I _____answer_____ in my _____answer_____ and drove to school. On my way, I stopped at _____answer_____ to grab a _____answer_____. Upon my arrival, said "Good Morning" to _____answer_____ and went into my office. I put my _____answer_____ on my _____answer_____ and turned on my _____answer_____ to check my emails. _____answer_____ had emailed me to say they would be late as they had misplaced their _____answer_____. I started to panic, wondering who would watch over their class of _____answer_____ _____answer_____? I called _____answer_____ _____answer_____ to help out.

After a hectic morning it was finally time for lunch. I walked into the staff room to find _____answer_____ eating my _____answer_____ right under my nose! Good thing I have an emergency stash of _____answer_____ in my desk!

To finish the day we had guest speakers _____answer_____ and _____answer_____ speak to the school about the dangers of _____answer_____ _____answer_____ . It was a most informative presentation and the students were thrilled to come away with such a life skill. As I rang the 2:47 bell to end the day I thought to myself,

"Wow! What an interesting day! I sure hope Inman is just as exciting as Capitol Hill!"
