Lib's aside, you ROCK! You have made a cherished commitment to live out the values of the Catholic Faith and will make God awfully proud. It is good to know that we can trust you to pray for us in hopes that one day we might be the fine relatives you hope us to be (remotely removed - but forever in our thoughts).

We think you are pretty darned amazing and know that God's secret potion and formula for making you was top-notch! We thank Him for making you in His likeness and placing you in your mother's womb so that you inevitably were stuck with us - - we are forever blessed with your charming and loving presence.
