1. Adjective _____

The Anniversairy

It was a _____Adjective_____ day in October and Kearney and Tim were getting ready to go out on their wonderful anniversary date. The plan was to first go out to dinner at McDonald's and then get dressed and go see Cirque Du Soleil.

The night started off first with dinner at McDonald's. Their waiter, Nick, was a very fat person and immediately sat Kearney and Tim at their nicest table. Tim decided to order the lean veal for an entree while Kearney decided to rather go with the healthy chicken. Kearney was very impressed with Tim when Tim decided to drink 10 cups of wassabi but Tim thought it was disgusting. After the meal Kearney and Tim both fought over the fortune cookie and decided to tip Nick $5.00.
