# Hope

I didn't know him for a long time before my decision of _____Verb - Present ends in ING_____ him. He's just sooooo _____Adjective_____. It's a good time to _____Verb - Base Form_____ at him for an hour in _____Location_____. I don't have any complaints for him. I've only actually _____verb-ending in ED_____ to him to his face specifically _____Number_____, _____Conjunction_____ I'm _____Verb - Present ends in ING_____ on it, you know? Don't judge, guys in general make me nervous if I like them. I find a lot of _____Noun - Plural_____ _____Adjective_____ so luckily if one thing doesn't work out I can try and get to know the next one, so I'll just gain another friend.

I just hope he is gonna be something worth remembering and hat's why I'm _____Verb - Past Tense_____ this extremely slow, carefully picking what I say to him because I don't want him to think I'm some _____Animal_____ or something. Haha, if not him then I just have to wait, but I hope at least he will be an important positive factor in my life :).
