Crappy coverage or no?

Your sewer line has a _____Noun_____ caused by tree roots. Sewage backs up into the master bathroom through the toilet and _____Verb_____ onto the _____Adjective_____ carpet. The vinyl floor in the bathroom and the _____Noun_____ carpet need to be replaced. The vinyl floor requires replacement because it was _____Adjective_____ damaged and would have required replacement even if this had been _____Adjective_____ water. The carpet would have been _____Verb_____ if there was not sewage present in the water, but because of the contamination by the _____Verb_____, the carpet must be replaced. Is there coverage for the vinyl? For the carpet? For the repair of the sewer line that has to be accessed through the concrete driveway?
