The Story of Us: A Jeffrey and Abby Special

Once upon a time there was this _____Noun_____. This girl went to preschool with this boy. But they didn't really notice one another. And then fifteen years go by, without any contact. Then this girl decided to look up this boy on facebook, because she was bored in class. Turns out, this boy was going to school close to where her home was. So they decided to meet for coffee. Little did they know that five years later you would sitting here doing a mad lib at their wedding. We hope you enjoy our special day.
