Viega History

In 1899, _____Noun_____ _____Noun_____ founded Viega, laying the foundation for our success story. It all began with _____Noun_____ taps, Viega's first product, sold to local _____Noun_____ and _____Noun_____ around _____Noun_____, Germany. As the company grew, the number of products increased. Drains and overflow fittings came first, and when the first factories were opened, manufacturing expanded to include _____Noun_____ connections and _____Noun_____ products for _____Noun_____ facilities. But we've never been satisfied with the status quo. We wanted to improve the industry, so we improved _____Noun_____ _____Noun_____ _____Noun_____, and followed that with invention of the _____Noun_____ _____Noun_____ feature. The innovations keep coming.
