# That's not kind.

Today I woke up and _____Type of food_____ downstairs for breakfast. I knew it was going to be a _____Type of food_____ day, mom made _____Type of food_____. It's my favorite thing to eat with milk! Except that today there was only a little bit of milk left! My sister asked me if she could have it and I said, "no way!" On the bus to school I saw a kid sitting all by himself. He had _____A color_____ hair and was wearing _____A color_____ boots. I didn't want to be his friend after seeing that. I sat with _____Name of friend_____ instead. All day long my teacher made us do a bunch of arts and crafts. She also had us read. I read the book _____Any book title_____. There was a girl in my class who asked if we could read it together. I told her to get her own! At snack time our teacher gave us _____Type of food_____. I hate _____Type of food_____. So I threw my snack across the room and started a food fight. My teacher wasn't too happy about that. She called my mom and my mom said, " _____Something your mom says_____ ." She always says that when she's upset with me. She sent me straight to my room when we got home and said I was grounded for _____Any number_____ years. I wonder if my day would have been different if I chose to show kindness... I'll try that tomorrow!
