Sex (a lesbian story)

and my _____^{First name} Vanessa were having a _____^{Event} _____^{Event}. Soon things got out of control and she was in my bed. she _____^{Word for take off} off my bra and said "mm baby give me your tities". So I took off her panties and we fucked like mad. Her pussy jammed into mine. Her boobs hanging out long and thin.

We had multipul orgasms before we were done. We ended my fucking and fingering each others

_____^{Testical} and lapping up each others _____^{Liquid that comes out of testicles}. When we were done we decided to

_____^{Event} again for more _____^{Day}.
