# POOP ON THE FREAKS

to the freaks i can\\'t get enough

so the words hit the boy who can never be tough

if somebody needs to compromise

hashing out deals to cover lies

i predict a world

that keeps you hanging on

i\\'ve been around and around I\\'ll come

to weather the storm and set up the sun

Disgusting to the freaks i can\\'t get enough

so the words hit the boy who can never be tough

saw a friend recently

begging for sympathy

been holding my breath and TRYING NOT TO accept

another apology

_____Disgusting_____to the freaks i can\\'t get enough

so the words hit the boy who can never be tough

somebody needs to speak out wise

hashing out deals to cover lies

calling you from the top of friction

calling you from the wrong direction

to

set up the sun
