test title

Because of our _____Adjective_____ budget, I had _____Verb - Past Participle_____ to spend our anniversary at home. I was going to surprise my husband with a romantic dinner and then we would going to watch our wedding video while we ate the top of our wedding cake. Determined to find the perfect gift, I _____Verb - Past Tense_____ on to eBay to see what I could find. I quickly discovered that the traditional first anniversary gift is paper, and as it happened, _____Proper Noun_____ (both mine and my husband's favorite rock band) was going to be playing two days after our anniversary in a city nearby. I jumped into bidding for the tickets with extra money from a side bartending job in hand. The bidding stopped about $20 short of my budget. I had found my "paper" gift - Metallica tickets. It looked like my plans were going to come off perfectly...boy, was I wrong!
