Dishonored is a game where you use stealth and magic combined to perform amazing takedowns. You are first a guard for the empress but get framed for muardering her and go to jail. You kill people from now on to take your revenge.

In Dishonored you are Corvo Attano and you are the Empress' most _____Noun - Plural_____ guard. You are coming back from a mission to give The Empress a note. When you give her a note her daughter asks "Mummy why are there guards on the roof?" The Outsiders teleport, kill The Empress, kidnap Emily (the empress' daughter) and teleport away. Guards walk up to you and accuse you of murdering The Empress and you go to jail.

In Dishonored there are 9 major missions/levels which are, Dishonored, High Overseer Campbell, House of Pleasure, The Royal Physician, Lady Boyle's Last Party, Return to the Tower, The Flooded District, The Loyalists and The Light At The End. In each level you have a main target to assassinate and the mission is not completed until the target is assassinated. Also each mission has a few optional missions that you don't have to complete.

Also in each mission you're free to do whatever you want so you can perform interesting takedowns and use your gadgets and abilities wisely.

In this game you have 10 supernatural abilities. Which are, Blink which lets you short teleport, Possession and much more abilities. Each one can be used in different ways so the game is more creative and more fun.

Dishonored is a game with highly rated graphics and game play. You are blamed for killing the empress and have to murder key targets with gadgets and special abilities.
