rainbow

1. Determiner _____

rainbow

25 people in one simple sob

decided to bring a slight simple mob

to bring down the monster who lurked in the woods

waiting for children to step on it's lawn

but no child dared to travel that far

from there dear village they did not go far

since they knew like everyone else

the monster was not far from there dear home

55 people from _____Determiner_____ states had come and tried to slay the dreadful monster

but still 55 skeletons lay in the monsters den

so one day the mob ran and charged to find the monsters den

they split in to groups to find the monster

one group saw a tiny white puppy and said awwww!

but the puppy said bark and the group turned to stone

another group saw a rabbit and said awwwww!

but then the rabbit sniffled

and the group turned to stone

the last group saw a dragon

and

like all the others said aw... AAAAA

and ran to a place never to be seen again

intilll one day another group came out and it happened all over again...
