Kyle & Jessy

We have _____Verb - Past Participle_____ together, _____Verb - Past Tense_____ together, _____Verb - Past Participle_____ together and today we _____Verb - Non 3rd Person Singular Present_____ each other! For the past 8 years, Kyle and I have been together enjoying each day. We met when we were 15 at the Welland Curling club; we did not attend the same high school or live in the same town! After graduating high school, we moved to Hamilton where kyle became an Engineer and Jessy an Social Service Worker. An opportunity came knocking on Kyle's job front and a move to Fort McMurray was decided. On May 25th, Kyle waited in the dark, upstairs for Jessy after work. Jessy arrived at her house and was scared to death. After realizing that he was on one knee, Kyle proposed and Jessy said YES!. Following a year of change, today is a very special day, where Jessy becomes Mrs. Kyle Walsh. Thanks for sharing our special day!
