Mentorship

Hi, my name is Christopher Lee and I am in the 10th grade. I was born on May 20th 1998 in the _____Adjective_____ city of Philadelphia . I think Hunter is a _____Adjective_____ school that totally rocks my socks. I joined ACS because a friend asked me to and this year in ACS I'm totally looking forward to the show because of the awesome Korean Drumming Segment. In one word, I would describe ACS board as hot.

I would describe myself as funny and crazy. Some of my hobbies are running, reading, and watching tv. In my free time I like to sleep and from time to time I like to turn on my other side to sleep. Given the choice of staying in or going out I would rather stay in. My favorite food is don't have one and my favorite neighborhood to hangout/get food is chinatown because it has a bunch of _____Adjective_____ stores plus I get my groceries there. My favorite color is blue because it makes me feel happy. My spirit animal's name is Inigo and he/she is a lion dragon hybrid with eagle wings, a shark fin, a horse mane, and the heart of a warrior.

I'm looking for a mentor who is nice and funny and likes to watch tv. I would love to talk to my mentor about cool things in life. Some cool things to do with my mentor could be getting food or watching a movie.

If I were to give Chris and Kyle a present for this awesome mentorship app it would be 1 million dollars.
