Spaceship Adventure

Once there was a guy, _____Proper Noun_____, who had a spaceship called the _____Noun_____. He went across the galaxy using a special fuel called _____Adjective_____. He had a sidekick who was _____Number_____ years old and wore _____Color_____ colored clothes. One day he got an urgent distress call from the planet _____Country_____ name. A tribe of _____Color_____ _____Noun - Plural_____ noun had attacked the planet. He rushed to buy some of his special _____Noun_____ from the _____Noun_____ store, then he called his sidekick, _____Proper Noun_____, and hopped onto his spaceship. When he arrived at the planet, he realized he had forgotten his _____Vegetable_____ shooter. So he had to go back to earth to get it. Then he arrived again at the planet but realized he had forgotten his _____Color_____ cape so he went back to earth, then returned to the planet again and stayed there. He found that a town called _____City_____ name was being ransacked by the aliens. He grabbed his shooter and started attacking the _____Adjective_____ aliens. Finally, an alien got a lucky shot and knocked him down with a _____Noun_____. But he got up and was knocked back down again by knocking his face into a _____Color_____ pole. Finally, his sidekick got him up and they shot down all the aliens. The villagers had a _____Noun_____ party in their honor. They returned happily home to earth--then got called away to another _____Adjective_____ adventure.
