# the puppy

a Adjective girl went to the Adjective store, and then saw an Adjective puppy and then she thought "what will my Noun say i dont have her permission!"; she bought the Noun anyway! when the Adjective girl got home her Noun was so mad that she Past tense verb and Past tense verb and Adverb stop, but then her mom Adverb Noun at the dog and petted it and found out she loves puppies and then the Adjective mom apologized to her!!
