Goodbyes with stuff and things

I've had almost _____Number_____ great years here in the call centers and it has gone by very _____Adverb_____. I told myself from the start, "Self, this position will just be a jumping off point to something else." I just didn't know what the something else was. I remember in a huddle a few times, Ruthie Pants told me I should be an _____Noun_____ and I laughed and said, _____Adjective_____ _____Noun_____!' It was never my intention to ever be an _____Noun_____. However, the more I kept looking at what the next step should be the more the _____Noun_____ job aligned with that I was looking for. So, I guess I should have just _____Verb - Past Tense_____ to Ruthie Pants from the beginning.

I will miss seeing all of you on a _____Noun_____ basis. I really have loved my time at NCDG. I've learned a lot, personally and professionally and I could not ask for more than that. It isn't often you have a job you _____Verb - Non 3rd Person Singular Present_____ _____Adverb_____ almost everyday.

I hope to see you tonight so we can toast to great memories.
