Going to The Store

On Friday, Sally went to the store to buy an _____Noun_____, but when she got there, their was none left so instead of an _____Noun_____ she got a pear. When she got home she cut the pear up, she had to put something in the microwave 2 minutes latter... she realized she put the the pear in the microwave instead of the _____Noun - Plural_____. Then, she had to go back to the store to buy another pear when she got home she cut it up. She had to put something in the _____Noun_____ 3 minutes latter... she realized she put the pear in _____Noun_____. So she went back to the store and got a pear went _____Noun_____ and sliced it up. This time she did not have to put any thing in the microwave or stove. So she ate the pear.
