To the Dearest Couple

Dear Lauren and Erik,

As I sit here to write a letter to you both, I thought I would list the things that I love about you two.

The two of you together are like _____Noun - Plural_____ in a _____Noun_____. Your constant respect and admiration for each other makes me _____Verb - Base Form_____.

I can't wait to see you grow old together and to see what your _____Noun - Plural_____ will look like.

I wish you both many years of _____Noun_____ and _____Noun_____. I hope your love for each other grows and that not even the largest _____Noun_____ could hinder your commitment.

I want you both to know that I will always be here in case you need _____Noun_____ or even just a _____Noun_____.

Sincerely,

_____Your Name_____
