The Monster

I was on atrip, when suddenly I found myselfpast tense verbin the! I heard a
Noise and the Plural noun came down. I was trapped! ' Exclamation !' I screamed at the top
of my Plural noun . Then I saw the monster. He had Plural noun all over his Part of the body
and was Number feet tall, with Adjective skin and Adjective Color hair. It was a
sight to behold! I watched in horror as it demolished everything I had brought with me,
including my tent and food. I Past tense verb from it as Adverb as I could, but I still heard the
Adjective thud of the thing running after me. I got an idea - I reached into my pocket and grabbed my
Noun . I threw it at the monster, and it hit one of its Part of the body (plural) . While it Past
in pain, I hid behind a Noun. After a few minutes of silence, I looked over my shoulder. I
sighed with relief and headed back to where I knew things would be normal.
