A Nightmare on 59th Street

It was a dark and _____Adjective_____ night. The wind was howling outside and the air was _____Adjective_____. A scary _____Noun_____ could be seen flying wildly on her broomstick across the night sky, or was that a flight headed to _____Proper Noun_____ without me? No matter, it was the perfect _____Noun_____ for a Halloween Party. It just so happened that EVF CrossFit Columbus Circle was hosting the most _____Adjective_____ event around and I knew I couldn't miss out.

I looked through my closet and found the perfect costume of a _____Adverb_____ and then Snapchatted that ish to all my faves. As I got ready I drank a warm glass of _____Noun_____, in celebration of my PR of a 235# power _____Noun_____ from earlier that day. I'm the most _____Adjective_____ CrossFitter!

I arrived at the box, dressed to the nines and ready to party. At the front desk Kat and Tonie greeted me _____Adverb_____. 'Where's your yummy treat?' they asked. 'Damn, I forgot!' I replied. 'That's alright,' I thought, 'I'll just run around the corner and grab _____Noun_____ from the bodega.'

'Why don't I _____Pronoun_____ with you?' Coach LJ said, as if appearing of out nowhere and hearing my thoughts. 'We can make it a WOD!'

'Umm...okay' I replied, confused. 'I'll come too,' Coach Jamie said, also appearing out of nowhere.

Are these guys ghosts haunting the box or just _____Noun_____?

'I'm gonna stay here and _____Proper Noun_____,' Coach Brandon said next, appearing right besides me, 'but I'll start the clock.'

Confused to say the least, I relented. If I get _____Adjective_____, EVF does have a shower!

Ready to go, myself and the _____Verb - Non 3rd Person Singular Present_____...I mean coaches, lined up. Brandon counted 3 ...2...1...Go and we started running our faces off. LJ and Jamie stopped halfway down the block to hit some burpees, _____Noun - Plural_____ and box jumps.

I couldn't keep up! My costume was very difficult to _____Verb_____ in and I _____Verb - Past Tense_____ face first.

I decided that I was there to party, not workout and that they'd have to just have one less yummy treat.

As if by haunted Halloween magic, Coach Knapp appeared next to me, offering his _____Noun_____. 'You can do this!' he said, flashing his big grin and man bun, helping me to my _____Noun - Plural_____.

He was right! I beat LJ and Jamie to the store, grabbed a delicious box of donuts, and made it back in time for the

festivities.

Happy Halloween!
