How Thor Sleeps

_____Your Name_____ was a quiet woman, she sat in her corner and drank coffee with the news on her phone. It was usually Bruce or Natasha that sat with her on weekends and it was Steve during the weekday. Steve had similar sleep schedules to hers, morning-wise anyway.

Today, though, was a hot summer day. _____Your Name_____ was not dressed in her usual slacks, blouses, and _____Your Hair Color_____ hair up, but in a tee shirt she stole from Steve's wash and pajama pants. She had a cup held by her pinky and the coffee pot held by the rest on her right hand and a packet of cookies and a muffin in the other. It was her day off.

_____Your Name_____ made her way to the living room and set her things on the coffee table in front of the tv. But she wasn't alone. On the couch was a very loud snoring Thor wrapped in a sheet. She laughed and pushed his legs up so she could take some space on the couch. She nuzzled down and turned on netflix, sipping her coffee. It was a hot day, and drinking coffee didn't help. Neither did Thor's blanket. It may have been light but it still made her too warm. She put the coffee down and turned her attention to Thor. She grabbed fistfuls of the sheet and then yanked them away.

Thor woke in a frenzy, Mjolnir crashing though to his hand, at the sound of a shriek. He looked around to find _____Your Name_____ standing with her back turned to him, a hand over her eyes.

"_____Your Name_____?" he said in confusion, "Are you alright?"

_____Your Name_____ snapped back, "Uh, no not really! Can you do me a favor Thor?"

Thor stood and nodded, setting down the hammer, "Of course, what can I do for you?"

"PUT UP SOME PANTS!" she shouted and waved her arm, "Now!"

Thor was startled and looked down at himself. She wasn't wrong. He was nude as a baby and he had forgotten that _____Your Name_____ had a day off. Thor stammered for a moment and nodded, "Of course, my apologies." He started to make his way to the elevator when _____Your Name_____ shouted, "Wrap the sheet around yourself Thor! Sheet!" Thor quickly grabbed the sheet and pulled himself in it.

_____Your Name_____ groaned and shook her head, "Thank you!"
