I'm so sad 'Ask Us Online' is closing!

This is just a note to express my immense _____Noun_____ for your _____Adjective_____ Kids Help Phone service.

My _____Noun_____ is filled with _____Noun_____, it really is and the amount of _____Noun_____ I feel right now is unbelievable.

I have always been so very _____Noun_____ and too _____Verb_____ to accept or reach out for help, but I let go of that quite a bit.

With the help of Counsellor _____Celebrity_____ (who is really awesome, just f a b u l o u s) I have finally come to the realisation that _____Noun_____ doesn't exist and there is no point in worrying so much over something that doesn't exist. It took a while for that to sink in. I have been this way for as long as I remember but now I am ready to _____Verb_____ my ways and treat myself a whole lot _____Noun_____ because I don't deserve to be so terribly hard on myself.

I would also like to recognise Counsellor _____Celebrity_____, Your post replies are _____Adjective_____ and it is evident that you really genuinely care, A LOT!! It feels so _____Adjective_____ to know that someone out there understands your situations and will _____Verb_____ no matter what.

Before

I decided to contact Kids Help Phone I struggled a lot and my life was fairly _____Noun_____, but now I have a whole new approach and it is so much better.
