Can You TIC Talk?

It was another regular day at the Chofetz Chaim Heritage Foundation. except in the TIC Talk Think Tank where Mrs. Frank, Mrs. Housman, and Rivky Levi were hard at work. they are always hard at work because in the World of TIC Talk Land there is always something to be done.

"We need to do something exciting and fun on the hotline," declared Mrs. Frank emphatically, "our listeners deserve only the best!"

"Maybe we should jump," suggested Mrs. Housman, "jumping is not only entertaining, but it can be educational and inspirational as well!"

"One time in 5th grade I jumped," said Rivky, "then I _____Proper Noun_____, and I had to get 99 stiches. and then I had to go home to dance practice."

"Jumping can be a good idea," interjected Mrs. Frank, "but as Rivky pointed out, it can be dangerous. And besides, it is not highly original..... we need an idea that causes a sensation! creates a ruckus! makes TIC Talk listeners say,Wow!"
