FY16 Operations

FY16 was a _____Adjective_____ year, from unparalleled productivity to process optimization. The _____Adjective_____ team that could shipped it better, shipped it cheaper and shipped it all (nearly) on time. Let's take a gander and just a few things that made the year special:

After some _____Noun - Plural_____ in the road in FY15, CTO was aggressively attacked in terms of process and yield enhancements in FY16, leading to capturing all revenue booked to ship in each fiscal quarter. No small factor in throughput improvements was the rousing success of the new pre-build process.
