Modern-ish Grimm fairy tale salad starring (Your Name)

Once upon a midnight dreary

while a little _____colour or color_____ _____motion verb- in ING_____ hood named _____your name_____

wandered weak and weary

all around the _____friends last name_____ woods

(S)he saw a little _____animal_____ named _____boy name_____

running around in panic, screaming for help.

_____

When **Repeat Last** your name asked it what was wrong

it told him/her that a big, bad _____name of person you hate or dislike_____

barged into its house while its mother was away

and _____Verb - Past Tense_____ and ate all its _____number_____ siblings with a side of _____food_____ salad.

_____ _____ _____

Little **Repeat Last** colour or color **Repeat Last** your name took pity on the _____Adjective_____ little **Repeat Last** animal

_____

and decided to help it save its **Repeat Last** number _____Adjective_____ siblings.

_____

Once they got close to little **Repeat Last** boy name 's house,

_____

Repeat Last your name saw that it was made of _____food_____

and built right next to the brick house where

the three little piggies, _____nickname of friend one ending in -y_____, _____same thing for friend two_____ and _____same hing for

_____friend three_____

lived.

Yeah, **Repeat Last** name of person you hate or dislike ate them too.

Anyway... **Repeat Last** your name and **Repeat Last** animal devised a(n) _____Adjective_____ plan

to save the _____number_____ little _____previous animal -plural_____ and destroy the

Repeat Last name of person you hate or dislike with _____Noun - Plural_____.

But first they had to make sure **Repeat Last** name of person you hate or dislike was unconscious

so they made a potion by mixing _____liquid_____ and _____chemical liquid solution_____

and pour it in the _____Adjective_____ fiend's mouth while it was sleeping.

And so they did and called _____friend four_____ to come and film the **Repeat Last** name of person you hate or dislike s defeat.

Then, a _____friend five_____ hunter came by and sliced open the **Repeat Last** name of person you hate or dislike s stomach

and liberated all **Repeat Last** number **Repeat Last** previous animal -plural and 3 little piggies and then everybody took a

_____Noun_____

and put it into **Repeat Last** name of person you hate or dislike s open belly.

Finally, a _____friend six_____ surgeon came by to saw the stomach closed and then everybody hid.

When **Repeat Last** name of person you hate or dislike woke up (s)he felt a stomach ache and went to the well outside the

house

to

have a drink but the Repeat Last Noun mess in his/her belly were too heavy and (s)he fell in the well.

In all this time (s)he was so distressed (s)he did not notice Repeat Last friend four filming him/her.

In the end the video went on youtube and Repeat Last your name 's channel got more subscribers than PiewDiePie and entered the 2016 guiness record book of most Adjective video ever.

So the gang became Adverb rich and bought a trip to Country or Place and a house on Planet.

Also, Repeat Last name of person you hate or dislike got caught and went to jail for cannibalism and crime.

And they lived happily ever after.

The End.
