The Castle Mystery

One day while _____First Name of a Person_____ was walking in the _____Location_____, she was playing that she was blind, she bumped into something _____Adjective_____. As she opened her ees she saw that she was standing in front of a castle made out of pure gold studded with rare jewels and climbing spiraly up the out side of the castle was the most beautiful _____Adjective_____ and _____Adjective_____ roses. As I stood their and looked at it awe struck i heard a voice saw "Come in! Come in!" so i took a few careful steps toward the door way and when I looked in I saw a _____important person_____. My first questiono was "how did you get such _____Adjective_____ roses?" The _____same important person_____ answered with a smile " Well one day as I was taking my daily walk, I met a man Named Mr. _____First Name of a Person_____ _____last name of a person_____ and he gave me some growers." "When I got home I mixed it with some whiskey and puored some of the mixture on my roses, and that is how I got my _____Adjective_____ roses."
