Marty & Johnna's Big Day!!!

It was the Big Day for Marty & Johnna. Their wedding day had finally arrived. Marty needed to go to the store to pick up a wedding gift for Johnna. He started down the driveway and hit the turtle that had been around the neighborhood for years and she had just laid her eggs next to his truck a month before.

He jumped out of he car to see if she was still moving. Her shell was barely scratched!!! _____Pronoun_____ wanted to make sure she was going to be ok so he put her in the car on the floor board of the passenger side.
