The Story of Dan & Jaclyn

Dan and Jaclyn met in the Spring of _____Year_____ in _____Noun_____ class while attending _____Location_____ University. It was the Monday after Easter when the professor said "everyone _____Verb_____ your neighbor and ask them what they did for the _____Event_____." Until that day, another _____Noun_____ had always sat between them but on this particular day, Dan and Jaclyn were the only 2 _____Noun - Plural_____ in the entire _____Location_____. Dan said "I had Easter dinner with my _____Animal_____, what did you do?" and Jaclyn replied " did you know that we have 3 _____Noun - Plural_____ together?". They immediately struck a bond and started studying with one another and eventually started _____Verb - Present Tense_____.

Although their paths diverged for a time after college, they found their way back one another. And Exactly _____Number_____ years after they first met, on a quite Monday morning walk along the banks of the _____Proper Noun_____ river during a trip to _____Proper Noun_____, Dan got down on one knee and said "well, I guess _____Determiner_____ is as _____Adjective_____ a place an any" and asked Jaclyn to _____Verb_____ him.

Today marks the first day in their next chapter together. Thank you for being such an important _____Noun_____ in their ongoing story.
