Your a-MAZE-ing Maze You Call Your Own

Have you ever walked through a maze and got lost? Just imagine going through a maze filled with mirrors! You aren't the only one anymore! Watch out for those bushes! A maze full of trees and flowers are one of my favorites! It gets pretty confusing though. There are lot of twists and turns and what could possibly be dead ends! ! How about a tunnel maze? Those are kind of scary because you only have so much room and it's kind of dark. Talk about confusion! I think the _____Adjective - Ends in EST_____ mazes of them all is a corn field maze. You know! Like the one you go through when its Halloween! Count me out! Some are scary and dark, while others are fun ans and interesting. Which ones are your favorite?
