Student!

I walked into the Student Success Center looking for a place to _____Verb_____ and to meet with an

_____Adjective_____

counselor. This was my first time there, so I felt nervous. I saw two of my friends when I entered so this made me feel better. The _____Noun_____ area had modern seating that was very inviting. I noticed how open and comfortable it was. Just then, a _____Noun_____ came up to greet me. I felt glad I had come here!
