A Hilarious Night

I heard a horn honk. I _____Verb - Past Tense_____ out the window by my door, seeing a car. I could see that _____First Persons Name_____ was in the driver's seat, along with _____Second Persons Name_____, _____Third Persons Name_____, and _____Fourth Persons Name_____. I smiled and stepped outside with a small smile on my face. I loved hanging out with the _____Nickname for Group of Friends -Like Dude Homies etc_____ from the _____Town_____, especially this bunch. There was always plenty of amusing moments when you were around this group of people. Although, I was surprised that _____First Persons Name_____ was driving, considering how lazy he was.

"Come on, _____Your Nickname_____!" _____First Persons Name_____ said, calling me by my _____Number of letters shorter than your real name that your nickname is_____ letter shortened nickname. It seemed _____insulting adjective_____, but I didn't mind it. I thought it sounded _____Adjective_____.

"Coming!" I _____Verb - Past Tense_____ back, _____Verb - Present ends in ING_____ towards the car. I _____Verb - Past Tense_____ the door and _____Verb - Past Tense_____ in beside _____Second Persons Name_____, with _____Fourth Persons Name_____ beside him. _____Third Persons Name_____ was sitting in the front seat beside _____First Persons Name_____. The car started _____Verb - Present ends in ING_____.

"Oh wowie! I hope they have _____Food_____!" _____Second Persons Name_____ said suddenly, followed by _____First Persons Name_____ replying that they did.

"Where are we going anyways?" I asked, looking out the window.

"We're going to _____Restaraunt Name_____. He opened a restaurant up here, and his menu has tons of stuff. Besides, he gives me plenty of _____Drink_____ to drink too! None of the other restaurants allow their customers to drink whole

bottles of _____Drink_____...Hehe..." Sans replied, keeping his eyes on the road. "Besides," he continued, "If I did drink their _____Drink_____, they'd probably have a bone to pick with me," he finished, chuckling.

"_____First Persons Name_____..." _____Second Persons Name_____ said, _____Verb - Past Tense_____. I was _____Verb - Present ends in ING_____. First, puns amused me, and second, _____First Persons Name_____ was amusing to see frustrated.

"Oh, c'mon, Paps, you don't like my _____Adjective_____ jokes?" Sans replied, laughing at his own joke and snorting in the middle of it. I started laughing harder, because his snort sounded absolutely _____Adjective_____.

_____Fourth Persons Name_____ was giggling and _____Third Persons Name_____ was laughing as well. _____Second Persons Name_____ was shaking his head at his brother.

"I give up on you, brother." He said, a slight smile spread on his face. I could tell that he still couldn't help but be amused by the ridiculous snort. Besides, laughing was contagious. He snickered a little.

"Oh no! We've given _____Second Persons Name_____ our laughing disease!" I said in between giggles.

"Nonononononononono....WHY, _____First Persons Name_____, WHYYY?!" Papyrus said. "WHAT HAVE YOU DONE TO MEEE?!"

_____First Persons Name_____ _____Verb - Past Tense_____, "I guess I'm rubbing off on you, _____Second Persons Name_____. Finally!"

And with that, our trip became a car full of giggles the entire ride. It was pretty _____Adjective_____.
