| After scoring | g in the 99.9th | percentile of star | ndardized tests, o | discovering a ex | tremely | Adjective | |
|---------------|-----------------------|----------------------|-----------------------|-------------------|---------------|------------|-------------------|
| Noun | and helpin | g in the discovery | of an/a rare | Adjective | Noun | in | country , |
| a 9-year-old | boy is workir | g toward his colle | ege degree. | | | | |
| At age 2, | celebrity 1 | _ could count fro | m 1 to 100, and | that's when his | parents bega | n to disco | over he/she was |
| ahead of his/ | her peers. | | | | | | |
| They decided | d to have him | /her tested, and | celebrity 1 | , merely 4 years | s old, was in | ducted in | to the |
| well-knowr | ı person or celebrity | Genius Soci | ety. He has publ | ished articles in | the Peninsu | ıla Astror | nomical Society |
| and contribu | tes to Zooniv | erse, an online pro | ogram for discov | ering and categ | orizing | Noun | _ research. |
| Recently, he | attended mee | tings and discussi | ion panels at Sea | arch for | unIntel | ligence I | nstitute in order |
| to ask expert | s about speci | ic equations. | | | | | |
| "Around | number | Or greater number | than the first number | months old | he/she starte | ed showin | g interest in |
| books," said | KIDSNAME | 's mother, MOM | . "He/She would | point and respo | ond to the te | xt. He/Sh | e could really |
| understand w | hat I was rea | ding, but at the tin | me I didn't know | what was norn | nal." | | |

| kindergarten, | celebrity 1 | began the | Adjective | celebrity | _ program for gifted students. He/ |
|---------------------|---------------|-------------------|------------------|----------------------|--|
| She skipped first | grade and b | egan fourth- and | fifth-grade m | ath classes in the | e second grade. |
| He/She began an | independen | t study program, | attending | well-known person or | School two days a week |
| while spending th | e remaining | three days stud | ying at home. | | |
| Now,celebrity | is ho | meschooled, but | t a teacher from | n the school kee | ps track of his/her progress. He/her |
| also takes courses | s online and | attends scho | ool subject al | nd school subje | classes in addition to giving |
| guest lectures at _ | well-know | n building in _ | foreign city | <u></u> . | |
| "He/She knows h | | | | | ze how rare this is. He/She just loves |
| At agenumber | , | celebrity 1 be | came one of th | ne youngest child | dren to attend after |
| enrolling in an/a | Noun | verb ending | in ing COU | rse. | |
| Young students e | nrolling in c | college-level cou | rses is not unb | neard of. The An | nerican College said it |
| had a 12-year-old | student tak | ing ADJECTIVI | E NOUN VER | RBING III last ye | ear, in addition to a 14-year-old and |
| number 1 | 5-year-olds | who were takin | g a very ADJE | ECTIVE class on | NOUNS. However, the number of |
| young | | | | | |

| students has never surpassed in one semester at the college. |
|---|
| passion extends far beyond academics. Twice a week he/she makes anumber *add |
| minutes or hours after the number* commute to to participate in the Children's Choir, |
| and he sang at baseball games for the San Francisco Noun - Plural and the |
| sports team |
| When his parents asked him whether he wanted to quit the choir, teared up and answered no, |
| explaining that he truly loves verb - Present ends in ING He also spends time pursuing instrument and |
| various forms of art, most noteably Adjective photography. |
| He/She recently received honorable mentions for his art pieces in theAdjective |
| National Art Festival. |
| "We hear criticism [about accelerated education] all the time," his mother said, "and if you see |
| people's comments, that's all they seem to care about. He enjoys being a child. He's just like any other 9-year-old |
| boy who enjoys this life." |
| Tanishq's passion for learning accounts for his interests. His favorite subjects in school are |
| school subject and school subject, but he has recently become interested in Noun nutrition |

and

| When | he grows up | ,celebrity 1 | wants to be a | Noun | _ doctor, | Noun | _ scientist and presiden |
|---------|----------------|---------------------|--------------------------------|-----------------|----------------|--------------|--------------------------|
| of | country | . He hopes | a president -former or current | will g | zive him advi | ce for his _ | Adjective |
| presid | lential career | | | | | | |
| Tanisl | hq's 6-year-o | ld sister, Tiara, | , has also been inducte | d into Mei | ısa. She's | number | or <u>number</u> |
| years | ahead of her | peers and will | skip from kindergarter | n to second | d grade, like | her brother | did. Her passions |
| includ | le Adjectiv | ve nat | ionality literature, _ | <u>Adjectiv</u> | e art, | Noun | science and caring |
| for | Adjective | Noun - Ph | ural . | | | | |
| It is u | nclear wheth | er or not Tiara | will continue the same | e education | nal path as he | er brother. | |
| "From | n my experie | nce, we just thi | nk that the public scho | ool system | is really not | capable of | handling children like |
| | celebrity 1, | " his mother sa | id. "They have progra | ms for all | kinds of lear | ning disabi | lities, but when it |
| comes | s to children | who are more a | advanced, there are no | programs | to support th | em." | |
