MN Trip

Hello and welcome to Minnesota! I am so glad this _____Noun_____ is finally here. We have been counting down the days for awhile now and I am smiling _____Noun_____ to _____Noun_____ with you by my side once again.

I am sure that this weekend's festivities are going to be _____Coordinating conjunction_____, but along with that, I know just spending every day _____Pronoun_____ with you for the next couple weeks is going to be the fill we both need to keep going until Thanksgiving.

I am so _____Pronoun_____ for you to _____Verb_____ and _____Verb_____ and _____Proper Noun_____ with Brayden. He has been asking about you non-stop..."bah bah ba ba baaaa ba" is what he is saying, which translates to, "Hey Auntie, when is your _____Noun_____ and _____Adjective_____ girlfriend coming? Is she going to be my _____Noun_____ too someday?!"

Now that you are here, we can enjoy each other's company. Drink _____Noun_____ on the deck, _____Noun_____ together, do _____Noun_____, sleep (or not sleep) and hangout with Lauren and Bryan.

Cheers to a lifelong "vacation" with the one I love most.

Yours always,

xoxo
