# Subdividing Women

As she lay sleeping, I watched her _____Adjective_____ . Her lips were like _____Noun - Plural_____. With every slow inhale and exhale they parted ever so slightly. Each breath caused her chest to rise and fall. Like _____An action that happens in a pattern_____, the pattern was soothing to watch. The moonlight streaming through the window fell on her and illuminated her _____Adjective_____ face. This had the effect of making her skin look like _____Adjective_____ _____Noun_____ . This background provided a stark contrast, making her _____Adjective_____ eyelashes stand out. Her hair, the color of _____Noun_____, was spread out on the pillow beneath her head, creating a halo that framed her face. Asleep, she looked so _____Adjective_____. I felt like I could watch her forever .
