rant incoming

EDIT: THANKS EVERYONE FOR THE _____Noun_____ =D I'LL KEEP _____Verb Present ends in ING_____

HARD DW

(Apologies for the incoming rant. Before starting, I want to congratulate

everyone on their _____Noun_____ ! I'm so _____Adjective_____ for all of you :))

I was always taught to _____Verb Base Form_____ hard to _____Verb Base Form_____ my _____Noun Plural_____ and

_____Noun Plural_____. Ever

since _____Noun_____ , I wanted to _____Verb Base Form_____ in the _____Noun_____, _____Verb Present ends in ING_____

_____Noun Plural_____

and _____Noun Plural_____ filled with _____Noun Plural_____ . Throughout the last few

weeks, I realized that no matter how much effort I have spent, how hard

I've tried, nothing seems to work. I should have realized this a lot sooner;

my name is seemingly destined to be engraved on the short end of the

stick throughout all the _____Noun Plural_____ at _____Noun Plural_____, failures in various

_____Noun Plural_____, and _____Adjective_____ looks on friends' faces.

Life _____Verb Present ends in S_____. I wanted to be like my role models, with their legendary

"

_____Free Space_____ !" posts. I hoped to _____Verb Base Form_____ through the _____Noun Plural_____ of my _____Adjective_____ _____Noun_____, not as an _____Adjective_____ _____Noun_____ but as a/an _____Adjective_____ _____Noun_____. But Here I am, realizing my own naivety, and accepting that reality is truly harsh.

To think that I could have done a lot less work (and enjoyed even more of my high school life), slept for more than four hours a day, and still would have gotten the same results for _____Noun_____ makes me wonder, was it really worth it? In the long run, probably; however, the disappointment from my _____Noun Plural_____ and myself, the "_____Free Space_____ ," makes me feel as if I wasted so much time in the last seventeen years, not living life to the fullest.

Don't get me wrong, I'm very grateful that I will be able to _____Verb Base Form_____ _____Noun_____, and this is definitely not a time for me to give up on everything (we learn from our failures), but maybe we should stop being told to dream big; when the time comes to realize that it doesn't hold true for everyone, it's too late.
