4. Noun
5. Noun
6. Noun - Plural
7. Adverb
8. Adjective - Superlative
9. Noun - Plural
10. Noun
11. Noun
12. Proper Noun

DotA Pudge the Butcher

And while he always had a taste for the Noun, over the ages, Pudge has developed a taste for its Noun as well. Starting with a Noun of Noun here, a sip of Noun there... before long he was thrusting his Noun - Plural Adverb into the Adjective - Superlative of Noun - Plural, like a Noun gnawing at rags. Even those who are beyond fearing the Noun, fear the Proper Noun.
